# Duniway 1st grade Art Lesson

## A Portrait of My Home

At your next art class, you will be drawing and painting a picture of your house. To get ready, go outside and stand in front of your home. Look carefully at all of the shapes and sizes that make up the parts of your house. Fill in the answers to the questions below. You will use this information to help you remember what your house looks like when you are in art class.

- What color is your house? \_\_\_\_\_ Are there other colors? What are they? \_\_\_\_\_
- How many windows are on the front of your house? \_\_\_\_\_  
What shape are the windows? \_\_\_\_\_
- Where is the front door? In the middle? On the left? On the right?  
\_\_\_\_\_
- Is there a chimney? \_\_\_\_\_ Is it in the middle? Left side? Right side? \_\_\_\_\_
- What shape is the body of your house? Is it a: square? rectangle? both? \_\_\_\_\_
- What shape is your roof? Triangle? Rectangle? Trapezoid? \_\_\_\_\_
- Do you have a garage? \_\_\_\_\_ Is it connected? Separated?  
\_\_\_\_\_

Use your pencil to draw a quick picture of your house to help you remember its shape and where your windows, door, chimney, and other parts go. You can draw on the back of this paper.
