

# **“ Art In Nature ” Permission Slip**

( A field trip in our own backyard )

The third graders will be learning about nature artist Andy Goldsworthy and creating a site specific art installation on Duniway’s campus. We will be taking a field trip outside to the playground, weather permitting, to create our own site specific art installation.

### **We need your help...**

We need at least 5 parents per class to volunteer the day of the “field trip” to supervise the students outside on the Duniway campus while they are creating their works of art.

**YES**, I’d like to volunteer for this unique art field trip!
